With reference the orders in the file below it is respectfully submitted that the year 1910-11 having closed the proposed enquiry re budget provision seems unnecessary. As the money expended has been, in the first instance, been paid from Office imprest and not drawn from the Treasury the exp^re may not properly go into the accounts of last year and may be ordered to be met out of the budget grant for this year.

If any more clothing should be supplied later on in this official year and the balance of grant found insufficient, then will arise the question of finding addl grant or means for reappropriation.
